The individual cost-share amount is based on the gross income of the qualifying older person(s) and is translated into a percentage of the FPG and the total cost per unit of service and/or the amount of a self-directed services budget. It does not consider any assets, savings or other property owned by the older person(s).

Monthly income figures are based on the 2023 Federal Poverty Guidelines published in the Federal Register on January 19, 2023.
